Durham Parks and Recreation provides opportunities for our community to Play More!

GREETINGS FROM DURHAM PARKS & RECREATION'S DIRECTOR

I love this time of the year, when residents can be found outside enjoying Durham parks and trails in the beautiful weather. Our trails not only provide recreation and wellness opportunities but they also serve as methods of transportation to work, school, church, community facilities, shopping, and dining. They also connect neighborhoods, improve the health of our community and immerse us in nature.

Durham Parks and Recreation (DPR) maintains over 30 miles of trails and greenways that play an integral role in achieving goals of the City's Strategic Plan, Parks and Recreation Master Plan, and Trails and Greenways Master Plan. According to the City of Durham *Resident Satisfaction Survey* conducted in 2015, 68% of the respondents were satisfied with the trails and greenways and 33% of the respondents listed them as one of the most important offerings provided by DPR.

DPR trails are free and accessible to the community. One of the major trails in our area is the American Tobacco Trail (ATT) that spans over 22 miles and links Durham, Chatham and Wake Counties. This trail has 11 miles of paved road and is 10 feet wide. It provides an excellent opportunity for residents to recreate and exercise. Walkers, joggers, and cyclists can hop on a trail daily to socialize with friends and family, make new connections, or even enjoy some alone time.

Visiting a park or trail can provide us with a special way to reconnect with nature. The Sandy Creek Park and Trail immerses us into the natural world and is known for its bird watching. Over 100 species of birds, including the red-tailed hawk, green heron, and barred owl can be seen in this area.

This summer, I encourage you to get out and enjoy our parks and trails and reconnect with nature one mile at a time!

Rhonda B. Parker, CPRP
Director, Durham Parks and Recreation

ADOPT-A-PARK AND ADOPT-A-TRAIL PROGRAMS

A Great Way to Give Back - Adopt a Park or Trail!

Volunteers from all over the community support Durham's parks and trails through the Adopt-A-Park and Adopt-A-Trail (APAT) programs. This program is a great opportunity for you or your organization to make a positive difference in your community.

Since 2003, community groups have supported their community by adopting parks and trail segments in Durham. DPR manages nearly 1,800 acres of parkland in more than 68 parks and more than 25 miles of greenways, and we're still growing. The assistance we receive from adopting agencies is invaluable as we make every effort to care for our natural resources.

The City of Durham's Parks and Recreation and General Services Departments provide routine park maintenance

and repairs; however, the adopting individuals and organizations give the park or trail the extra care and attention it needs. Adopters work on a variety of projects of their choosing. They have assisted with numerous cleanup, landscaping, and facility improvement projects.

Any individual or organization interested in bettering our parks and trails can adopt. For additional information on the Adopt-A-Park and Adopt-A Trail programs, please visit our website: www.DPRPlayMore.org. You may also contact Mal Atkinson, at 919-560-4355 or dprvolunteers@durhamnc.gov.

Park and Trail Spotlight

Sandy Creek Park and Trail

Sandy Creek was developed as a park in 1998 and arose out of an open space planning effort for New Hope Creek Corridor. Dedicated volunteers, private and City professionals worked to develop this park out of an old wastewater treatment plant. The park is an important natural area and has become one of the best birding spots in the triangle.

One of the principle park volunteers, Larry Stogner, is a Vietnam veteran and former anchorman for WTVD. Larry has a long commitment to improving the public life of Durham. Larry is living with ALS, a muscular degenerative genetic disease, and has bravely shared his story with the world on the air. Larry's community is rallying to honor his efforts; "Get Larry to the swings." The swings are the best place to watch the birds of the park, but are not currently accessible to people in wheelchairs. Larry's community is launching a campaign with the new Durham Parks Foundation and Durham Parks and Recreation to fund and construct the accessible loop. Natural surface trails are under site plan review and the Sandy Creek Trail, a 5 Priority Trail, has been placed on the funding request for the City's "Capital Improvement Projects". These trails will better connect the park to the local community. The Larry Stogner ADA loop will lead the park improvements, so that Larry and all visitors will soon be able to walk and roll to view one of the most interesting wetland birding spots in Durham.

SWIM LESSONS

The American Red Cross (ARC) Swimming and Water Safety program is offered through DPR. The different courses seek to help participants of all ages and varying abilities develop familiarity with being in the water; learn basic skills for aquatic safety, survival, and recreational swimming; and develop an awareness of how to stay safe in, on or around the water. Each progressive level builds on, and reinforces, acquired skills and knowledge. As participants develop aquatic skills, they become safer and better swimmers. For more information about ARC Learn-to-Swim Lessons at DPR, visit www.DPRPlayMore.org.

CANINE RECREATION

DOG PARKS

Durham Parks and Recreation has three Dog Parks, which offer a safe and controlled environment for dogs and their owners. The Dog Parks provide access to open space for off-leash play and socialization.

Northgate Dog Park (located on the north side of the Northgate Park, off of Lavender Avenue) features two enclosed areas – one for big dogs and

one for small dogs, water fountains, waste bag dispensers, benches, and a kiosk.

Pineywood Dog Park (located at 400 E. Woodcroft Pkwy.) features four separate enclosed areas – a small dog area, large dog area, program area, and entrance area. Amenities include water fountains, waste bag dispensers, benches, and a kiosk.

Downtown Durham Dog Park (located on the corner of Roxboro and Elliott Streets) features separate enclosed areas for small dogs and large dogs, benches, and waste bag dispensers.

Registration
All dogs MUST be registered with DPR annually. To ensure that we provide a healthy environment for all participants, we have adopted the vaccination requirements recommended by the American Animal Hospital Association. All dogs are required to have the following vaccinations before being issued a Dog Park tag: rabies, distemper/parvo, bordetella, and a negative fecal exam. We also accept titer results in lieu of vaccinations except for rabies (state law). Vaccinations must be current, and not due to expire within 30 days.

When these requirements are met, a DPR dog park tag is assigned. All dogs must wear their current dog park tag while playing in the park.

Online registration is available at www.DPRPlayMore.org using course #18703. After registering, vaccination records and liability waiver must be emailed to durhamdogpark@durhamnc.gov. See website for complete instructions, or call 919-560-4355 for more information.

Registration can also be done in person at 400 Cleveland Street, or by mail to:
Durham Parks and Recreation
Attn: Dog Parks
101 City Hall Plaza
Durham, NC 27701

Fees
2016 Dog Park tags are valid for one year (January 1 – December 31). Fees are not prorated throughout the year.

Durham PARKS Foundation

Why a park foundation?

Fundraising and accepting donations

Private donors often like to give to the private sector because they have more control of how their money will be spent.

Grant writing and management

Many foundations only accept applications from 501(c)3 non-profit organizations.

Efficiency and flexibility

Foundation funding would allow for purchasing equipment, hiring repair crews, and increasing programming opportunities on an as-needed or emergency basis.

Advocacy

Volunteers have more freedom to speak out for budget increases, increased security, or in favor of acquiring new parkland, while a parks department works within the city's adopted priorities.

Community ties

A non-profit foundation has strong credibility with residents and local institutions.

Consistent leadership

A mature nonprofit conservancy or friends group can sometimes provide more continuous leadership than public officials.

HERITAGE PARKS AND CITY LAKES

Interior of Slave Cabin at Leigh Farm Park

West Point on the Eno Park and Leigh Farm Park make up the City of Durham's Heritage parks. These significant natural and historic parks provide opportunities for picnicking, fishing, hiking, outdoor nature study, and cultural history programming.

LEIGH FARM PARK

This 82.8-acre property located at 370 Leigh Farm Road is anchored by a seven-acre historic core listed in the National Register of Historic Places in 1975. The park includes the Leigh House (circa 1835), an early 19th century dairy, a mid-19th century slave cabin with notable stick-built chimney, smokehouse, corn crib and a late 19th century well house and carriage house. The property also features a second mid-19th century slave cabin with a 1930 Rustic Revival log addition, an early 20th century tobacco barn and pack house, several mid-20th century residences, and wooded acreage that was historically open agricultural land. Call 919-471-1623 to find out more about events and programming.

WEST POINT ON THE ENO

This 388-acre natural and historic park is located along a two-mile stretch of the scenic Eno River, six miles north of downtown Durham. Take a step back in time to Durham's early beginnings by touring the working Grist Mill, the 1850's McCown-Mangum House, and the Hugh Mangum Museum of Photography. The historic buildings at West Point are open in 2015 every Saturday and Sunday from 1 p.m.-5 p.m., April 4 through December 13. Admission is free. Weekday tours of the buildings can be arranged in advance by calling 919-471-1623.

You can also enjoy a leisurely picnic and stroll around the grounds or take a hike through the woods on one of the park trails. Feel free to bring your canoe or raft and experience the beauty of the Eno River. The park gates are open daily, year-round, from 8 a.m. to dark. Call 919-471-1623 for further information.

AMPHITHEATER AT WEST POINT

This secluded area nestled in the woods is the perfect setting for company picnics, festivals, concerts, performances, and other large group gatherings. The facility can accommodate up to 4,000 people and includes a large open field, lawn seating, stage, electricity, water, and ample parking. Call 919-471-1623 to arrange a visit, or for rental and reservation information.
